

**Local Full Fibre Networks Programme  
Gigabit Broadband Voucher Scheme - Market Test Phase  
Supplier Bulletin #1  
1 February 2018**

**Introduction**

This is the first Supplier Bulletin for the Gigabit Broadband Voucher Scheme. It is circulated to all registered suppliers. A copy of all Supplier Bulletins will be placed in the supplier area of the Scheme portal:

<https://gigabitvoucher.culture.gov.uk/media/>

To access this page you need to be logged on as a registered user, login details were provided when your registration was completed.

**Terms and Conditions Amendment**

Please note that terms and conditions which apply to the Scheme for beneficiaries - your customers - have been updated. The main change is that with immediate effect, customers now have 28 calendar days from the date on which you request a voucher on their behalf to validate that request using the online portal. Vouchers not accepted by your customer within 28 calendar days of your request to DCMS may be cancelled.

We will notify any affected customers of this change. You may wish to also inform any of your customers who may be affected by this change.

A copy of the revised Full Beneficiary Terms and Conditions (Version 2.0) is attached.
