

**Gigabit Broadband Voucher Scheme
Supplier Bulletin #64
1st November 2021**

IMPORTANT NOTICE

IMMEDIATE CLOSURE of the Oxfordshire Top-Up

We are writing to inform you that the Oxfordshire top-up element of the Gigabit Broadband Voucher Scheme will be closed immediately. This is as a result of voucher requests exceeding available top-up funding.

Whilst you can no longer request a top-up in the Oxfordshire area, you are still able to request Gigabit Vouchers in the Oxfordshire area. Existing projects with the Oxfordshire top-up will not be suspended; however any new requests for vouchers with an Oxfordshire top-up will no longer be met. Whilst the top-up will now be removed from the voucher at the 'request' stage it can still be issued with Gigabit Broadband Voucher Scheme funding only.

We will directly contact those registered suppliers with Oxfordshire top-up vouchers who may be impacted by this change. We will also contact any supplier who has a project with a Oxfordshire top-up, where the project has yet to be approved/published.

If you need to submit a support ticket or email on this matter, please title your message OXFORDSHIRE TOP-UP however we would ask that you await further information from us in the first instance.
